Fabrics:

Plain, bright colors for stars
Black Background

Directions

Fabric Needed

Colored Strip 2.5" wide x 20" long

4 strips - 4" x 2.5"

4 strips - 6" x 2.5"

Black Fabric

4 4" squares (corner squares)

8 2.5" Squares

Construction:

Using black 2.5" squares, snowball each corner of 4" and 6" strips

Snow ball the opposite corners. Sew corner to corner on black, cut off where the X is shown

Press the seams on the 4" square towards the colored

Press the seams on the 6" square towards the black

This pressing will make a difference in how easy it is to match points

Construct the Star

Sew the long side of color on the 4" strip to the 4" black, press to the black

Sew the long side of color on the 6" strip to the first piece, press to the black

Make 4 of these to create the full star, carefully matching points where the pieces come together
