

LAYER CAKE STAR QUILT

Kim Hardin

SUPPLY LIST

One Layer Cake + 8 – 10” squares OR 3 ½ Yards Fabric:

>Option 1: Layer Cake: (usually 42 -10” squares) **PLUS** enough fabric to equal 50 - 10” squares, which can be from matching layer cake fabric or something that coordinates.

**Blocks with a layer cake will probably be more varied than if you cut your own squares.*

OR

>Option 2: Fabric 3 ½ yards: Cut your own 50 - 10” squares in coordinated or scrappy colors. *This could be from one fabric if you want your blocks all one color. See Kim’s quilt photo.*

Background for Stars: 3 ½ yards. Could be a light fabric like Kim’s with dark stars, or could be dark fabric with light stars.

For Star Rectangles: Need 100 2 ½ x 10 ½ rectangles for stars – See photo for ideas for your stars.

Using 42” fabric:

>Option 1: 2 ¼ yards. **Cut 7 - 10 ½” strips.** Subcut into 4 - 10 ½” squares, which are subcut into 4 - 2 ½ x 10 ½” rectangles per square = 16 rectangles per 10 ½” strip.

[7x16=112 rectangles]

OR

>Option 2: JellyRoll 2 ½” (25) strips or from 2 yards, **cut 25 - 2 ½” strips.**

Subcut jellyroll or other 2 ½” strips into 4 - 2 ½ x 10 ½’ rectangles per strip. [25x4=100 rectangles]

Other Supplies:

Small cutting mat if you wish

Rotary Cutter

Straight Ruler at least 12” long (Star cuts will also use lines on the cutting mat)

Marking pen or chalk

Sewing machine in good working order and regular sewing notions (seam ripper, thread/bobbins, small scissors, pins/clips).
