

Quick Quilt, Toddler to Child

This kit includes a center rectangle of a novelty fabric and three sets of border strips. Backing fabric may also be included.

Center panel – ½ yard novelty print fabric, or, 1 fat quarter [18" x 22"]

Borders – ⅓ to ¾ yard of three different coordinating fabrics. Cut borders as follows:

Inner Border 1 – cut into 4 strips, each 4½" wide

Middle Border 2 – cut into 4 strips, each 3½" wide

Outer Border 3 – cut into 4 strips, each 3½" wide

Backing – 1 ⅓ yards fabric

Batting – 40" x 46"

Using a ¼" seam for construction, sew the inner Border 1 strips to sides of center focus fabric. Press seams and trim edges square to the quilt. Add inner border top and bottom strips, press seams and trim edges square to the quilt. Repeat the same process for Borders 2 and 3.

This blanket can be finished using the traditional method, which uses a binding, or the 'envelope' method, which uses no binding. Quilt or tie at least every 3 ½ to 4 inches. Quilting in the ditch looks nice and reinforces the blanket. Quilting ½" around the outside edges gives a more finished look when using the 'envelope' method.

Finished size of quilt following directions above should be at least 37" wide and at least 44" long.

Tip 1: One yard of novelty print fabric will yield 4 center panels, each 18" x 22".

Tip 2: Borders can be different widths, from 2 ½" to 5 ½" wide. Finished size of quilt should be at least 36" wide and at least 44" long.

*Fabric requirements and cutting instructions are included for those wishing to make this pattern at home.
